TOURNAMENT FEEDBACK FORM

IREVA values participant feedback. The intent is to provide solutions to trending problems within our Region regarding event management and staffing. Using this form provides detailed information to the Region that will assist in achieving that goal.

Please note the following:

1. Issues related to rules application and interpretation should be addressed immediately at the event via protest as per rules.
2. Officials are regularly evaluated by the IREVA Officials Committee.
3. Work team performance issues are the responsibility of the R1 in each match.
4. Tournament Directors and Head Officials report incidents and unusual circumstances to IREVA with event results – including work team performance.
5. Spectator control is the responsibility of the Tournament Director.
6. Members should use the IREVA Grievance/Complaint Procedure for serious issues.
7. Members and others may also use the IREVA website “contact us” page, direct contact with officers, and the Adult / Junior Committees for inquiries and to provide feedback.
8. **If, and only if, the form is completed in its entirety will it be reviewed and responded to.**
