

Subject: 2010 **JO** National Championship Tournament Deadlines

Each Region establishes its own deadline for teams to submit entries to the Region office to ensure that the USAV deadlines are met, and to allow time for the required Regional review / approval / forwarding of entries. The table below lists the deadline dates for entries in the 2010 JO National Championships. Detailed instructions for entry procedures are found in the pre-tournament manuals on the USAV website [<http://usavolleyball.org/pages/5535>].

Entries for teams who earn a bid at a National Qualifier [girls and boys] are to be sent directly to USAV with notification to IREVA. Entries for all other teams [girls and boys] must be sent to and approved by IREVA. Any teams interested in attending Nationals at any level must notify Hazel Goldstein, IREVA JO Director by 2/1/10 so that arrangements can be made to determine the Region's bid winner, if necessary.

Any team intending to enter one of these National Championships should have their team representative expedite their registration process by contacting Jim Bishop by e-mail in advance.

Questions about the process should be directed to Hazel Goldstein, Jim Bishop, Laurie Muollo, Patty Blacklock, or Anna Turner as appropriate.
